Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From Beth

For those of you that are new to the Holiday Market booking experience, here is a primer. The first thing that has to happen before we can book the Holiday Market is that Booth Holders of Record need to officially reserve their spaces. We cannot proceed until the Booth Holders return their applications and pay 25% of the booth fee to keep their space. The deadline is July 24. If a Booth Holder is keeping their space, their checks are receipted and deposited.

As soon as every Booth Holder has told us that they are either returning or giving up their space, we go to pending applications in order of Holiday Market points. The stack will have members hoping to get a space along with Booth Holders keeping their space but hoping to trade to a better space in point order.

If you are not a Booth Holder, we will not receipt or deposit the payments until we come to your application, call you and come to an agreement on your space. Sometimes it can be difficult to figure out how much money to send in if you do not know what size of space you will have or how many days. Just do your best and send in a check with what you estimate to be a quarter of the payment. Upon acceptance of a space, we will work it out with you.

It is a hurry up & wait process which upon a call from Vi, will turn into hurry up again. We will usually work about three people ahead, meaning that we may call you and ask for your first three choices while waiting for folks ahead of you to make their decision. Keep your map by your phone so you can mark the available spaces in order to consider which is best for you. It is also on the website under the membership application link. If you have less than 20 points, it could be end of August or the beginning of September until we call you. Traditionally, we have had the show booked by the end of September.

As you have questions, call Beth at 686-8885 and I will be happy to help. Onward to Holiday Market!

Have a lovely Saturday!

-Beth

Tae Kwon Do Kids on the South Lawn Today

Today, The Saturday Market welcomes the Moo Do Academy Tae Kwon Do 'Break-a-thon 2010' on the South Lawn. The Break-a-thon begins at 10am and will end around 2pm and will feature 20 of our color belt students and Black Belts performing 'KYOKPA!' - also known as breaking techniques to raise money for the Core Star Center facility in Eugene. The Core Star is the home of the Moo Do Academy and many other martial art and yoga and dance groups and serves their downtown neighborhood as a recreational community center. We send a welcome to the youth and families of the Core Star.

HM Update

You should have received your Holiday Market application in the mail by now. Please contact the office if you haven't seen yours yet. Deadline for Booth Holders of Record and folks with lots of HM points to return applications is next Saturday, July 24.

Sell at Tuesday Market

Tuesday Market is now up and running on the East Block (food court block), and an area has been blocked for Market artisans. If you are a Market member, meet Beth or Elissa at 9 AM on Tuesday west of the stage for booth assignment. Tuesday Market costs \$5 + 10% for

an 8x8 space. Tuesday Market has a separate point system that is not related to Park Blocks or Holiday Market points.

Eugene Celebration Early! Last Weekend of August

Here's your early heads up about this year's Eugene Celebration. It's been moved up to Aug. 27-29. We plan to do just a regular 10-5 Market day on Saturday August 28 only this year. As in the past, the major change for us will be checking in and loading in one hour early.

This year the Community Causeway will not ring the Market on Park Streets, which will make load in and out much easier! The other change of note is that the Parade will be starting at 10 AM, half an hour later than usual.

If you'd like to walk in the Parade and represent the Market along with other Unique Eugene businesses, get in touch with Kim at the stage. She loves to have Marketeers as company along the route. It generally takes 30 minutes or so to walk the Parade, and it's fun to hear folks shouting out hellos and hoorays for the Market as we walk along.
